Project itinerary

Your day-to-day schedule as a Construction and Renovation Volunteer will depend primarily on your placement location and the needs as well as the operating hours of each project. Once you have met with the project coordinator, you will work together to create your schedule. Don't worry - you will never be asked to do anything that is outwith your abilities. However, those with a can-do attitude will get the most from this exciting and rewarding programme!

Orientation Day Schedule

Weekly Schedule

You will be taken to your Construction and Renovation project on the first day and shown around the area, as well as catching some dos and don'ts around the Malagasy people.

Monday to Friday

- Breakfast
- Construction and Renovation Volunteering
- Lunch
- Construction and Renovation Volunteering
- Dinner

Please note:

Cost of transport to locations is not included, but will usually be around £1.50 per day.

This schedule can be changed depending on weather conditions and unforeseen circumstances.

Evenings and Weekends

After a day of being a hard-grafting volunteer, you can choose to explore the area or simply kick back with your new-found friends back at your accommodation. Many of our volunteers enjoy mixing with their new volunteer friends during the week and plan their weekend adventures as they go!
