Evenings and Weekends

At the end of your day as a volunteer, you can choose to explore the area or simply relax with new friends back at your accommodation. Many of our volunteers enjoy mixing with their new volunteer friends during the week and plan their weekend adventures together!

Please note: This schedule can be changed and/or amended depending on weather conditions, local conditions and unforeseen circumstances.

Places to Visit

Nearby, you'll find a park where you can relax or play volleyball with locals during your free time. Further, bikes are available at our centre which you can use to explore your surroundings and get about.

Further away is Siem Reap, which is two hours away from the accommodation. Our volunteers often head there at the weekends to explore the famous Angkor Wat, zip-wire through rainforest canopies, discover breathtaking waterfalls and do a little trekking!
