Project itinerary

As a teaching volunteer, you will have plenty of support from your local coordinator who will discuss the day ahead, who you're working with, and give you tips and pointers to get the most of the day for you and your students! In addition, you will have the opportunity to try out different teaching methods and find those that work best with your students.

Orientation Day Schedule

- Introduction meeting, House rules, Setting Expectations, Health and Safety Advice and handling of documents.
- Kenyan Do's and Don'ts, Culture introduction and country history and Swahili Language Lessons.
- Tour around the compound and local area; where to find local shops, and arrange a sim-card if necessary.
- Lunch
- Trip to Nakuru town where you can buy essentials if required

Tuesday to Friday

After breakfast, you will head off to the construction project; this will mainly be at local people's houses and local community facilities. There you will be briefed on your tasks by our coordinator about the day's project. Expect to do construction and renovation work at the project location for 4-5 hours per day with a lunch break in between. Lunch can be had at an appropriate facility near the project site.

Please note

This schedule can be changed depending on weather conditions and unforeseen circumstances.

Evenings and Weekends

After a day of volunteering, you can choose to explore the area or head further afield on the weekends. Many of our volunteers enjoy mixing with their new volunteer friends during the week and plan their weekend adventures as they go!

Places to Visit

Whether you are into people and cultures, hills or wildlife, there's something for you here! For example, you can visit the Thompson Falls in Nyahururu, go hiking in Hyrax hills, or at the famous Menengai crater. Further, there are the Equator Springs at Gwa Kungu to marvel at, or a visit Lake Nakuru National Park and Lake Naivasha where you can simply enjoy taking in the beautiful Kenyan countryside.
