Project itinerary

During your Intensive Spanish Course in Costa Rica, you will join small, immersive classes for 3 hours each weekday. Lessons are taught entirely in Spanish, and you're encouraged to practice with locals to build real-life conversation skills. Stay flexible, stay curious—and your Spanish will improve in no time.

Mandatory Orientation Day

On the Monday of your first week in the Intensive Spanish Course in Costa Rica, you will join our orientation day to get familiar with your surroundings and learn about local culture. Your language classes will begin from Tuesday and continue for the rest of the week.

Orientation Day Schedule

- Introduction meeting, House rules, Setting Expectations, Health and Safety Advice and handling of documents.
- Costa Rican Do's and Don'ts, Costa Rican Culture Lessons and Spanish Language Lessons.
- Tour around the compound and local area; where to find local shops, and arrange a sim-card if necessary
- Lunch
- Introduction to the project site, and start participating on the project (if possible).

The program is fast-paced and designed to help you quickly build confidence in grammar, vocabulary, and conversation.

Evenings and Weekends

Your evenings and weekends are free to do as you wish. There’s plenty to see locally after your day of volunteering! Many of our volunteers plan group outings together at the weekends, or simply hang back at the accommodation and get to know each other in the evenings.

Places to Visit

Esparza and Puntarenas have plenty to offer for weekend activities, including horse riding, watersports (surf is huge), game fishing, canopy tours, hotels to suit all budgets, and some of the best scenery in the world. Puntarenas is also ideally suited to take a scenic ferry to the Nicoya Peninsula and its many secluded beaches. Further, Esparza is on the Panamerican Highway, so access to the rest of Costa Rica and the rest of the American continent is at your doorstep!

Please Note:

This schedule can be changed and/or amended depending on weather conditions, local conditions and unforeseen events.
