Project itinerary

While at the project, your interactions with the children will primarily involve teaching them English, life skills and basic hygiene. However, you will also be required to take part in other tasks which could include taking charge of the supervision of the children, assisting with their feeding and any other necessary care, as well as organising interactive games and activities to enhance their experiences. In addition, you will also be expected to help keep the kindergarten clean and tidy.

Monday to Friday

Each day begins with a hearty breakfast to set you up for your busy day. After breakfast you will spend time in the morning teaching at the project site. This will be followed by assisting with feeding the children, preparing them for their sleep and then a time for you to have lunch and a rest. In the afternoon, you will take part in bathing the children and assisting again with their feeding. There will be time for more teaching, interactive activities and facilitating games after the children are fed. At the end of each day, you will enjoy a meal at the guesthouse before resting during the evening.

**** Please note: This schedule can be changed and/or amended depending on weather conditions, local conditions and unforeseen circumstances. ****
