## Project itinerary

A typical weekday for a volunteer on the Bali kindergarten program begins with an early breakfast, and then off to one of the kindergartens for a morning of games, play, and informal style lessons. Afternoons are then spent planning the activities for the following day before everyone meets for a group dinner. This schedule is flexible to allow for changes in weather, local conditions and the individual schools own plans and activities.

**Evenings:** Volunteers are free to sightsee around the local area, do some shopping, and/or plan for the next day.

**Weekends** - Weekends are free. You are welcome to relax and hang out at the volunteer accommodation with other volunteers or you can use this time to travel and explore Indonesia with your new friends.

***Please note that the Kindergarten Project will be closed during school break (June, July, August and December). You may volunteer on other childcare projects.***

***This schedule can be changed and/or amended depending on weather conditions, local conditions and unforeseen circumstances.***
