Project itinerary

Monday

We will go around Baños del Inca in the morning, walk around the main streets that access to Llacanora, Namora and Cajamarca. In baños, you will be shown where to find the VTM Machines, Visit Castope Delimarket to grab extra supplies. Then visit the local market to buy local foods, grab a SIM CARD if you need one from here. In the afternoon, take a small hike to 'white crosses hill' where you can have Thermal Baths in Baños and a massage session.

Tuesday

We will visit Granja Porcón, a beautiful area and traditional farm. Here you will have the opportunity to get in touch with the Andean scenery that surrounds Cajamarca. After exploring the fields, forests, or farm, we will have a picnic on the hillside and return to Cajamarca. The journey will take 40 minutes both ways.

Wednesday

In the morning we will take a combination of public transport and walk to Cumbe Mayo, perhaps the oldest manmade structure in South America. Built around 1500 B.C.E., Cumbe Mayo exhibits the ingenuity of Pre-Incan technologies.

Here you will see a system of hand carved canals that carry water over the continental divide, and at one point, sustained the inhabitants of what later became Cajamarca. At an altitude of 3,500 metres above sea level, this ceremonial Pre-Incan complex and the surrounding rock forest is our last visiting spot before heading back to Cajamarca.

Thursday

In the morning we will take a tour around Cajamarca pointing out some of the main attractions, markets, and historical points of interest.

Along the way you will see churches from the colonial era, the main square that bustles with constant activity, and the Cuarto de Rescate (Ransom Room). It was in this site where the last Incan king Atahualpa bargained with Spanish Conquistador Pizarro unsuccessfully for his release, thus ending the Incan empire and opening the door to Spanish influence in Peru.

We will also hike up to the top of Santa Apolonia Hill where there is small church and a beautiful overlook of the entire city. Along the walk you will see some traditional artisanal market places with typical Cajamarquino materials and goods.

Friday

Go to Namora and visit the local guitarra workshops and the hat weaving ladies. We will then take a Tuk Tuk to Laguna San Nicolas to walk around the laguna, ride in totora boats around the laguna and have lunch at a El aventurero restaurant in the afternoon.

This schedule can be changed and/or amended depending on weather conditions, local conditions and unforeseen circumstances.
