## Project itinerary

Your culture week in Ethiopia will start with a little session on cultural do's and don'ts - important when you'll be mixing with the local community!

You will also get to experience local attractions, weekend jaunts, island hopping, and discover the traditions and heritage of Bahir Dar.

Bahir Dar is ideally placed for short visits to World Heritage Sites, such as Gondar, Lalibela and Axum. But, of course, we mustn't forget the breathtaking Simien Mountains and the rich biosphere of Lake Tana, which runs alongside Bahir Dar itself.

## Ethiopia Culture Week Highlights

- Learn about Ethiopian and Amharic Culture
- Enjoy a short language class to learn simple common sentences in Amharic.
- Experience Ethiopian cuisine - by your own hand! The ingredients needed would be bought by you from the local market.
- Take in the sights and sounds of Amharic folk dances.
- Visits the Islands via boat in Lake Tana and explore ancient churches and artefacts.
- Take a walk on the wild side around the banks of Lake Tana and its diverse wildlife.
- Take part in a coffee ceremony, essential to Ethiopians, with beans that Ethiopia is famous for!
- Enjoy a day trip and picnic set amongst one of Africa's most famous landmarks, The Blue Nile
