Project itinerary

You will arrive on Sunday and have plenty of time to settle in before you start your week as a Construction & Renovation Volunteer in Cambodia!

Mandatory Orientation Day

On the Monday of your first week at this location, you will join our orientation day, to familiarise yourself with the surroundings as well as the local culture. Your programme will continue as usual from Tuesday onward throughout the rest of the week.

Schedule

- Introduction meeting, House rules, Setting Expectations, Health and Safety Advice and handling of documents.
- Khmer Do's and Don'ts, Khmer Culture Lessons and Khmer Language Lessons.
- Tour around the compound and local area; where to find local shops, and arrange a sim-card if necessary.
- Lunch
- Introduction to the Project, Project site and start participating on the project.

Tuesday to Friday

At the beginning of the working week, you will meet with our coordinator, where you will find out what kind of work will be required during your time on the project.

Most of the tasks will involve light construction work. Here you will spend time helping to paint school buildings, making tables and chairs, constructing and renovating the playground, making pathways, building toilets and repairing school walls. Further, you may also be involved in building new classrooms – it all depends on the time that you arrive and tasks needing completed!

... and if you're not that handy with a hammer or a saw, don't worry – you'll be given plenty of instruction to complete the tasks you're given, safely!

Evenings and Weekends

At the end of your day as a Construction & Renovation Volunteer, you can choose to explore the area

or simply relax with new friends back at your accommodation. Many of our volunteers enjoy mixing with their new volunteer friends during the week and plan their weekend adventures together!

Please note: This schedule can be changed and/or amended depending on weather conditions, local conditions and unforeseen circumstances.

Places to Visit

Nearby, you'll find a park where you can relax or play volleyball with locals during your free time. Further, bikes are available at our centre which you can use to explore your surroundings and get about.

Further away is Siem Reap, which is two hours away from the accommodation. Our volunteers often head there at the weekends to explore the famous Angkor Wat, zip-wire through rainforest canopies, discover breathtaking waterfalls and do a little trekking!
