## Weekly Schedule

A typical day as a Restoration and Renovation Volunteer here in Sri Lanka, may involve some of the following activities. However, your tasks will be subject to what is needed at the time you arrive:

- Cleaning the surroundings of the identified sites
- Painting buildings
- Engaging in mural work if available
- Engaging in artwork if the temple makes requests

**Please note:** This schedule can be changed and/or amended depending on weather conditions, local conditions and unforeseen circumstances.

## Evenings and Weekends

After a day of medical volunteering, you can choose to explore the area or head further afield on the weekends. In fact, many of our volunteers enjoy mixing with their new volunteer friends during the week and plan their weekend adventures as they go!

## Places to Visit

Visit the Royal Botanical Gardens, Knuckles mountain range, Udawatta Kele Sanctuary, Hortons plains National Park, or take a boat ride down Kandy Lake to see the city from an alternative viewpoint!
